**ANNUAL REPORT 2015-16**

**SRI SATHYA SAI  
CENTRAL TRUST**

**ANNUAL REPORT 2015-16**

On 25 May 1947, at the age of twenty, Bhagavan Sri Sathya Sai Baba wrote a letter in reply to his brother's concerns outlining His mission and stating the purpose of His birth. Below is an excerpt from that historic letter written in Telugu script:

1. ఆత్మల మంచవులకు. నా వంతులు పురాణి,  
 రక్షించుచుండుటే. నీరక్షి నాకులు.  
 2. వాక్య కమమవీతి, ప్రతియంశువారలా,  
 బట్టి గా సో శుభోత్పలమునాకులు.  
 3. నీవసాదలక్షణపెనునా నీటాదిని.  
 త్రిమూలనా కృపాప్రేమనాకులు.  
 4. నీమనస్సుల ఆశయపను గాల్గువారిని  
 నా సాధుమూకు బోధింపజేసినాకులు.  
 5. మంచి బెట్టులు కలరాడు. మనము లోపమునూ,  
 సూరించుచుండుటే. శక్తి నాకులు.  
 6. దేవత పోలింబి నా యంతులను వారి.  
 తే న్నమిను. మనుషుని నా దేవస్థానంతు  
 7. నెట్టి పాకులు కష్టము. కువికీ ప్రాప్యకలంకు.  
 8. రక్షి నా పోని తే న్నమి యెట్లు నీమనస్సులని.

*I have a Task: To foster all mankind and ensure for all of them lives full of bliss.*  
*I have a Vow: To lead all who stray away from  
 the straight path again into goodness and save them.*  
*I am attached to a Work that I love:*  
*To remove the sufferings of the poor and grant them what they lack,*  
*I have a reason to be proud, for I rescue all who worship and adore me.*  
*I have my definition of the Devotion I expect: Those devoted to me have to treat  
 joy and grief, gain and loss, with equal fortitude.*  
*This means that I will never give up those who attach themselves to me.*  
*I will not give up my Mission, nor my Determination.*  
*I know I will carry them out*

**Dedicated at  
The Lotus Feet of  
BHAGAVAN SRI SATHYA SAI BABA**

## Report of the Trustees 2015-16

The year under review was the 90th year of the advent of Bhagavan Sri Sathya Sai Baba. The celebrations were held throughout the year not only at Prasanthi Nilayam but all over India and in many countries around the world. In the week leading up to Bhagavan's birthday that is celebrated on 23rd Nov. every year, devotees along with youth-groups from many countries gathered at Prasanthi Nilayam for the occasion.

The Sri Sathya Sai Central Trust (SSSCT) is a unique institution. It is not a religious Trust but one whose objectives comprise of service to the needy through activities in the fields of health, education and public utility. Bhagavan has set up landmark institutions and projects with very innovative models for efficient functioning and effective utilisation of resources. The Trustees have been ensuring that these continue to work in the same efficient manner in the same spirit of inspiration and dedication.

There were 13 board meetings (Board of Trustees - 5 and Board of Management - 8) between 1st April 2015 and 31st March 2016.

The following are some of the significant decisions and actions taken during this period by the Trust:

- Providing support for construction of infrastructure to Sri Sathya Sai Institute of Women, Saptapur, Dharwad. The foundation stone laying ceremony for the new school, college, and hostel buildings was held on 27th October 2015.
- Construction of Sri Sathya Sai Centre for Advanced Research and Development at Sri Sathya Sai Institute of Higher Learning (SSSIHL).
- Registration of land by way of sale by the Karnataka Industrial Area Development Board at Whitefield to the Sri Sathya Sai Central Trust.
- Handing over operation and management (O &M) of Phase II Drinking Water Supply project for additional 138 villages to government (govt.) of Andhra Pradesh.
- Construction of Wellness Centre at Sri Sathya Sai Institute of Higher Medical Sciences (SSSIHMS), Prasanthigram.
- Inauguration of new hostel for students of the Muddenahalli Campus of SSSIHL.
- Renovation of rooms in Prasanthi Nilayam for devotees' accommodation.
- Contribution to Chennai Flood Relief.
- Dr D. C. Sundaresh appointed as Director, SSSIHMS, Whitefield

Details of the above are provided separately in the subsequent pages of this annual report.

During the year, the following dignitaries visited Prasanthi Nilayam:

- Sri. Pranab K. Mukherjee, His Excellency, the President of India.
- Dr. Manmohan Singh, former Prime Minister of India
- Sri ESL Narasimhan, Hon'ble Governor of Andhra Pradesh and Telangana.
- Sri Nara Chandrababu Naidu, Hon'ble Chief Minister of Andhra Pradesh.
- Sri Rahul Gandhi, Vice President, Indian National Congress.

- Prof Kenji Uchino, Director, International Centre for Actuators and Transducers, Materials Research Lab, The Pennsylvania State University, USA as Chief Guest for SSSIHL Convocation
- Sri Osamu Suzuki, Representative Director and Chairman, M/s Suzuki Global, Japan
- Many ministers from both Central and State govts. as well as other dignitaries

Being aware of the significance of the next ten years leading to the centenary celebrations of Bhagavan, the Trustees are planning first a consolidation and improvement of all existing activities and then exploring further avenues in the service of society and mankind. In all workings of the Trust and while implementing future projects, the cardinal principles as postulated by Bhagavan will be preserved while keeping in mind the wide ranging changes taking place both in India and abroad.

We gratefully acknowledge the continuous support and assistance that we have been receiving from the Govt. of India and State Govts. of Andhra Pradesh,

Telangana and Karnataka.

Devotees from all over the world continue to visit Prasanthi Nilayam in ever increasing numbers. Many new faces continue to be seen at Puttaparthi. It is such devotion, commitment, support and participation of a large number of devotees which inspire us.

We wish to place on record our appreciation of the committed service rendered by employees of the Central Trust, our associate organisations, the dedicated groups of Seva Dal volunteers from all over India and the large number of our well-wishers from India and abroad.

We, the Trustees pray to Bhagavan Sri Sathya Sai Baba to make us fit instruments for the continued execution of His Divine Mission and His constant guidance for this task.

Always in His service,

Board of Trustees.

Date: 25<sup>th</sup> Sept 2016

## About Sri Sathya Sai Central Trust

Sri Sathya Sai Central Trust (Central Trust) was founded in 1972 by Bhagawan Sri Sathya Sai Baba as a Public Charitable Trust with the objective of extending

“relief to the poor along with education and medical relief and other works of general public utility as defined in Sec 2(15) of I.T. Act, 1961. At no stage would there be any discrimination towards those receiving the services at any of these institutions.”

Based on the above objectives and scope, Bhagawan guided various activities of the Central Trust and the Sri Sathya Sai Organisations, both in India and overseas. He continues to guide and inspire us to tread the path shown by Him with renewed enthusiasm and commitment. This has resulted in improved reach to bring inclusive relief and succour to the needy. The Central Trust undertakes various activities and projects in the areas of welfare, education and healthcare. These are broadly classified under Sociocare, Educare and Medicare.

**In the year 2015-16, the following SOCIOCARE activities / projects were undertaken, of which some are ongoing and some are new:**

- Handing over Phase II Anantapuram Drinking water project to Govt of A P.

- Relief work in flood-hit Chennai,
- Installation of Water Purification Plants in Andhra Pradesh as part of NTR Sujala Sravanthi Pathakam.
- Sri Sathya Sai Grama Seva.
- Sri Sathya Sai Nithya Annadana Pathakam.

**Under EDUCARE the following institutions are run and supported:**

Institutions Run by Central Trust –

- Sri Sathya Sai Primary School, Prasanthi Nilayam.
- Sri Sathya Sai Higher Secondary School, Prasanthi Nilayam.
- Sri Sathya Sai Gurukulam (English Medium School), Rajahmundry.
- Sri Sathya Sai International Centre and School, New Delhi.

Institutions Supported by Central Trust -

- Smt. Easwaramma Educational Society, Prasanthi Nilayam,
- Sri Sathya Sai Institute of Higher Learning – 4 campuses and Sathya Sai Mirpuri College of Music.

- Sri Sathya Sai Hostels for above Schools and Colleges.

- Sri Sathya Sai Institute of Higher Learning – Centre for Advanced Research and Development.

- Institute of Sathya Sai Education (ISSE), Mumbai

Financial Assistance extended for Infrastructure developments in other Sai Schools and Colleges-

- Sri Sathya Sai Institute for Women, Saptapur, Dharwad.

- Sri Sathya Sai Baba Nursery, Primary and High School, Mysuru, (managed by Sri Sathya Sai Mahila Makkala Kuta, Mysuru).

- Sri Sathya Sai Women's College, Jaipur, Rajasthan.

- Sri Sathya Sai Junior College for Women, Anantapur, A P.

- Sri Sathya Sai Vidya Vihar, Erakana, Odisha.

- Sai Sathya Sai Vidya Vihar, Jadupur, Odisha.

Under MEDICARE the following institutions are managed by the Trust:

- Sri Sathya Sai Institute of Higher Medical Sciences, Prasanthigram
- Sri Sathya Sai Institute of Higher Medical Sciences, Whitefield, Bangalore
- Sri Sathya Sai General Hospital, Prasanthi Nilayam
- Sri Sathya Sai General Hospital, Whitefield, Bangalore
- Sri Sathya Sai Mobile Hospital, Puttaparthi
- Sri Sathya Sai Mobile Hospital, Chennai,

**Other Initiatives and Institutions:**

- Keeping in mind the environmental side effects, we have initiated sewage treatment for our units.

In lieu of this, new sewage treatment plants are being constructed at the Super Speciality hospital in Puttaparthi and in the Vidyagiri (school-college-University) complex.

- Radio Sai Division is a new division which came into existence with the merger of Sri Sathya Sai Media Foundation with the Central Trust.
- Sri Sathya Sai Vidya Vahini is an ongoing initiative run by the Central Trust.

The details of these programs/activities are given in the subsequent pages of this annual report.

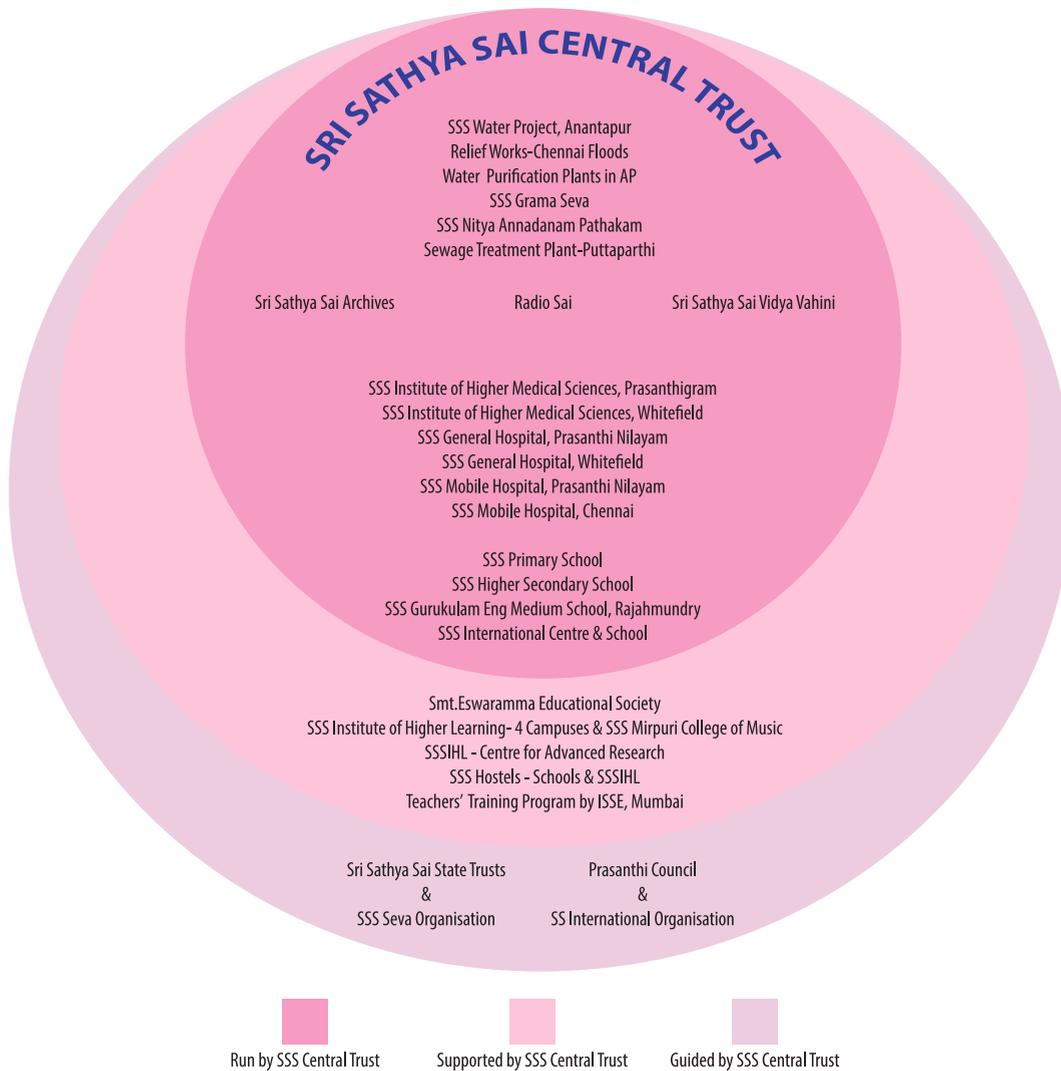

The Central Trust does not have any property overseas.

The diagram on the following page indicates the various units of Central Trust and other Institutions started by Bhagavan that together comprise the Sri Sathya Sai Mission.

## Sri Sathya Sai Mission

The above chart is included to understand the inter-relationship between different units and is not meant to indicate lines of authority or hierarchy.

There are many trusts functioning under the name of 'Sri Sathya Sai Trust (Name of the state)'. In six of these Trusts functioning in the states of Bihar, Punjab, Himachal Pradesh and Haryana & Chandigarh, Andhra Pradesh and Karnataka, the Central Trust has powers to nominate the trustees. In all the other State Trusts, new trustees are appointed by the existing trustees. There are some Sai Trusts and Foundations functioning overseas which are independent bodies and the Central Trust has no legal connection with them though all are connected through the Divine inspiration of Bhagavan.

All contributions to the Central Trust are voluntary from individuals who witness Bhagavan's various projects being executed efficiently, their positive impact on beneficiaries and their providing relief to a large number of people. Further details and procedures could be found in the link - [http://media.radiosai.org/journals/vol\\_14/01APR16/An-Important-Communication-from-Prof-G-Venkataraman.htm](http://media.radiosai.org/journals/vol_14/01APR16/An-Important-Communication-from-Prof-G-Venkataraman.htm)

## Auditor's Report

1. We have audited the Balance Sheet of Sri Sathya Sai Central Trust (Central Trust), Prasanthi Nilayam, as at 31st March 2016 and Income & Expenditure Account for the year ended on that date, annexed thereto. These financial statements are the responsibility of the management of the said Central Trust. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted the audit in accordance with the auditing standards generally accepted in India. Those standards require that we perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides for a reasonable basis for our opinion.
3. We further report that

- We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit
- In our opinion proper books of account have been kept by the above named Central Trust so far as appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from units not visited by us.
- The Balance Sheet and the Income and Expenditure Account dealt with by this report are in agreement with the books of account.
- In our opinion and to the best of our information and according to the explanations given to us, the accounts read with schedules and notes thereon give a true and fair view

I. In the case of the balance Sheet, of the state of affairs of the Central Trust as at 31st March 2016;  
and

II. In the case of Income & expenditure Account, of excess of income over expenditure for the year ended on that date

## Expenditure Statement ( ₹ Crores )

Total Income	<b>Rs 180.79*</b>
Total Expenditure	
Revenue Expenditure	<b>Rs 120.49</b>
Capital Expenditure	<b>Rs 34.66</b>

**In addition to the above income received, donations of Rs 27.82 towards Corpus fund.**

## Compliance & Social Impact

### Compliance

Our books of accounts are regularly audited by an eminent firm of auditors. Sri Sathya Sai Central Trust has consistently adhered to procedures of regulatory compliance required by various departments of the government. The Trust files income tax returns every year and responds promptly to any follow-up queries by the Income Tax Department. Reports required under Foreign Contribution Regulation Act, 1976 are regularly submitted to the Ministry of Home Affairs, Government of India. The Trust has been filing a copy of the annual financial statements along with this statement giving details of additions / deletions to the assets of the Trust, with the Assistant Commissioner of Endowments, Anantapur every year as per subsection 10 of section 43 of the Andhra Pradesh Catholic and Hindu Religious Institutions and Endowments Act, 1987. The Trust has been prompt and timely in its history of compliance.

### Social Impact

Till last year the value of the drinking water projects executed by the Central Trust and transferred to the Government and public so far, is around Rs.500 Crore. This year, the Central Trust completed and handed over extension of water supply project covering an additional 138 habitations at a cost of Rs 75 Crores.

The Central Trust has also been offering free medical care to the needy through two General Hospitals, two Super Speciality Hospitals and as part of outreach program operates two Mobile Hospitals. The two Super Speciality Hospitals alone have provided totally free of cost services to the needy, (computed at CGHS rates) equivalent to Rs 77 Crores and during the last 5 years it is equivalent to Rs 374 Crores. If the treatment was provided by corporate hospitals of comparable level of sophisticated equipment and medical services provided by these two Super Speciality Hospitals, the savings would be much higher than these figures.

Similarly the Central Trust runs educational institutions from primary and secondary levels to undergraduate and post graduate courses and PhD degrees, providing contemporary quality academic programs with value orientation. This again is totally free to the students. The total number of students studying in all these institutions together was 3,796 (2,416 in Schools and 1,380 in University).

## Other Trusts

The following independent Trusts / Societies also function in Prasanthi Nilayam and carry out charitable activities under the same umbrella of Bhagavan's Divine grace and guidance.

### **Sri Sathya Sai Sadhana Trust:**

This Charitable & Religious Trust registered in Bengaluru carries on certain activities of public utility for serving devotees / visitors to Prasanthi Nilayam and Brindavan, Bengaluru.

This Trust consists of 5 divisions –

- Bhaktha Sahayak Division
- Mahila Division
- Media Division
- Publications Division and
- Brindavan Bhaktha Sahayak Division.

### **Sri Sathya Sai Media Foundation:**

Since Sept. 2015 this ceased to exist as it has been merged with Central Trust as Radio Sai Division.

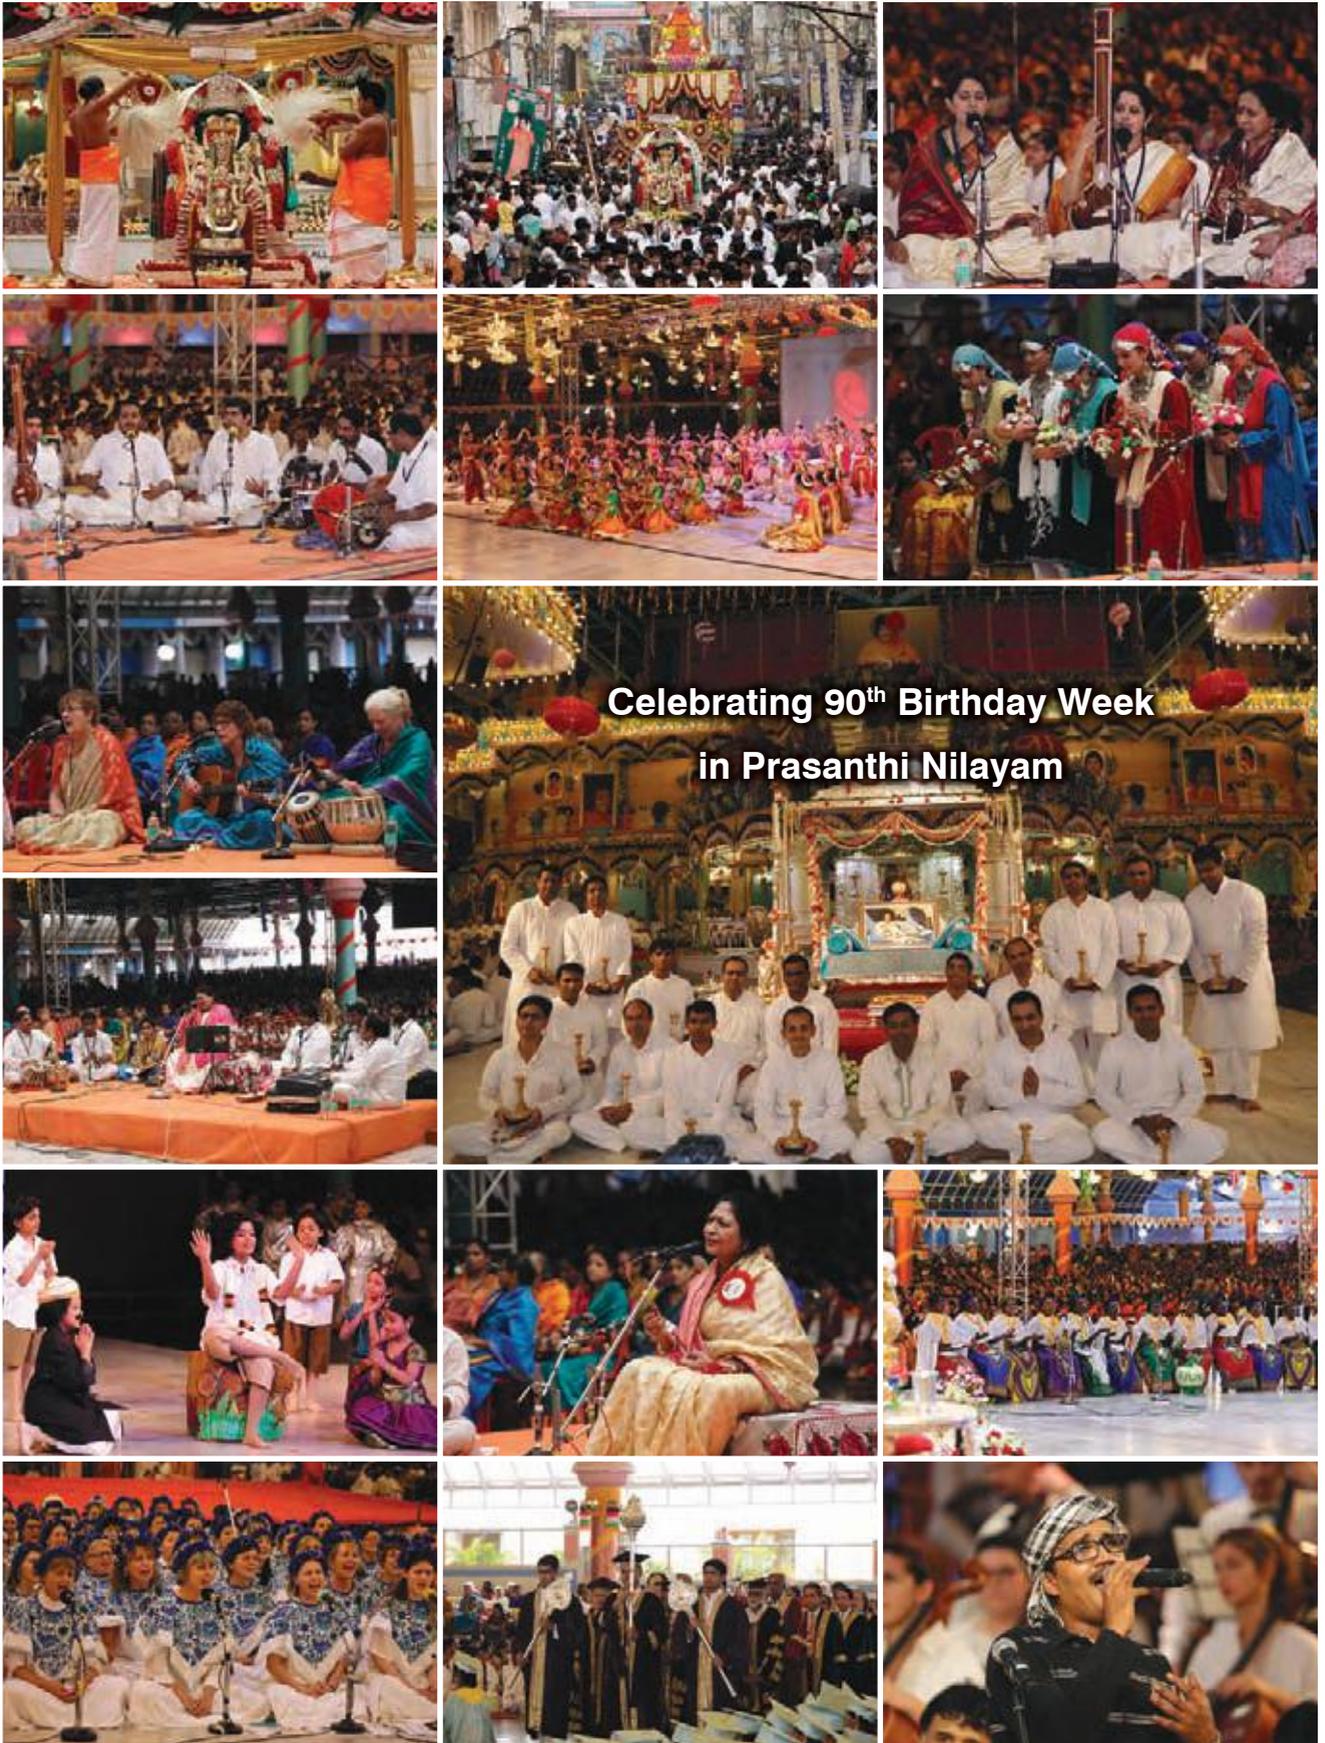

### **Sri Sathya Sai Easwaramma Women's Welfare Trust:**

This Trust is registered under AP Charitable and Hindu Religious Institutions and Endowment Act 1987. With the help of a fully equipped van, this Trust provides antenatal and postnatal care to mother-and-child free of cost. Nearly 130 villages around Puttaparthi are covered.

### **Smt. Easwaramma Educational Society:**

Formed in August 1972, this society had been running a Telugu Medium High School in Puttaparthi. An English medium school started functioning from 2010.

## Sociocare

***“ Deena Dukhiyon Se Prem karo, Mera SAI Prasanna Hoga. . .”***

Meaning : **Love the down-trodden and the forlorn, for this will make my SAI happy** - the first line of a popular Sai Bhajan

Bhagavan's focus on spiritual activism through all-inclusive and barriers-free community outreach is the bedrock of His Sociocare projects. The range of activities include -- providing clean drinking water, sanitation, feeding the hungry, disaster management, afforestation, blood donation, medical camps, creating awareness about civic responsibilities and good citizenship, all within a human-values based framework. As an expression of their unflinching dedication to Bhagavan Baba's message, these sociocare initiatives are driven by the dynamic Sai youth and other volunteers with love and compassion. Across India and in 121 countries around the world, acts of selflessness and sacrifice in the form of Sociocare projects for the larger good are being undertaken 365 days a year by the Sri Sathya Sai Central Trust, Sri Sathya Sai Seva Organisations of India (SSSSO), Sathya Sai International Organisation (SSIO) and Sai Youth.

## Projects

### a. Drinking Water Supply

On Jan 1st 2016, the SSS Central Trust handed over the Operation & Management of the Anantapur Drinking Water Supply project--Phase II, to the Government of Andhra Pradesh. Phase II provides safe drinking water to an additional 138 villages in Anantapur district.

Tharuguvandipalli Cistern

Inauguration of Water Project- Phase II in Sai Kulwant Hall

Inauguration at Puttaparthi Town

Kesavapuram Pump-house

Overhead Tank, Satharlapalli

Sump in Maddalacheruvu (12 lakh litres)

The everyday struggle for water

Under the Sri Sathya Sai NTR Sujala Pathakam, Central Trust set up 44 Reverse Osmosis (RO) plants in Srikakulam (16 villages), Vizianagaram (12 villages), Vishakapatnam (4 villages), West Godavari (8 villages) and Chittoor (3 villages) districts of Andhra Pradesh.

Water scarcity: a reality in rural India

Reverse Osmosis Plant in Nellimarala

Reverse Osmosis Plant in Vantharam

### b. Development:

Two large sewage treatment plants were constructed in Puttaparthi and one in the SSSIHMS premises, Prasanthigram.

Sewage treatment Plant in SSSIHMS

#### d. Grama Seva

Since the year 2000, Sri Sathya Sai Grama Seva project has been undertaken by all the students and staff of all educational institutions run by the Central Trust. The Grama Seva (village welfare activity) is an integral part of the Sri Sathya Sai system of education, its objectives being:

- Sensitising the students to societal developmental problems of the under-privileged, especially in rural India.
- Experiencing the joy associated with serving the poor and needy even in a small way
- Acquainting students with Group Dynamics, Team Building and Optimum resource and time management

"Best way to Love God is to Love all and Serve all" - Baba

The uniqueness of this program lies in the students serving with love and humility each and every person in the village at their door steps – irrespective of their social, economic or religious status. The students go to every home and serve food packets with laddu sweets to all members of the resident family as well as gift a pair of dhoti and saree to the head of the household. The homeless are also served.

This service that covers 153 villages and hamlets of Puttaparthi, Bukkapatnam and Kothacheruvu mandals of Anantapur District contacts a population of nearly 3 lakhs. Before the actual door-to-door distribution begins, the students go around the village chanting slokas from the Vedas and singing bhajans. This also familiarises them with the topography of the village so that they do not miss serving any house.

This year too, the Grama Seva was conducted during the month of October for 9 days (6th to 14th), coinciding with the Dasara celebrations in Prasanthi Nilayam. A total of 2,85,250 food packets and laddus and 46,850 dhotis and sarees were distributed. Nearly 2000 students, faculty members, staff and others participated in this year's program.

Convoy of trucks enroute to the villages

*Hands that help are holier than lips that pray*

Villagers participating in the prayer before seva

**e. Sri Sathya Sai Nithya Annadana Pathakam**

Under this scheme, specific villages around Puttaparthi are identified and at a common spot, all the villagers are served with free, hot, sumptuous meals daily, throughout the year. Every day, on an average over 600 meals were served to people in 31 such villages.

## Medicare

*“Disease has no distinction; it may afflict anybody, be it a pauper or a millionaire. We too have no such distinction. Here the treatment will be rendered totally free of cost to the rich and poor alike. Not merely this, even the food will be supplied free. Our aim is to cure the patients of their ailments and send them home happy and healthy. This Institution will serve the poor forever. Some may have a mistaken notion that it will only be a temporary one. All the institutions established by Sai are eternal.”*

*- Bhagavan Sri Sathya Sai Baba*

As part of His medicare mission, Bhagavan has set up hospitals with the objective of providing the highest standard of healthcare **totally free of charges to all patients**, be it in General or Super Speciality hospitals. Further the mission is characterised by certain core features that include availability, accessibility, humaneness, holistic quality and preventive aspect of patient-care. This mission is achieved through

- Continuous Upgradation of equipment and procedure.
- Treating the patients with love and compassion.
- Counselling and medical awareness sessions.

Dr. Mitchell W. Krucoff, Professor of Cardiology, Duke University Medical Center, North Carolina, USA

*What we saw was the highest level of technology, with some equipment even newer than the equipment we use at Duke Medical Center. But the technology was dwarfed by the context into which everything in the hospital dwelled - healthcare in God's service.*

Dr. Michael Nobel  
(great grand-nephew of Alfred Nobel)

*A truly remarkable achievement. A one of a kind combination of hi-tech, state-of-the-art medical facility offering top-of-the-line treatment for free to the masses of people who would normally never have such a chance of life.*

Following are the health-care units and allied services instituted by Bhagavan and now managed by the Central Trust:

- Two General Hospitals giving **secondary care**, located in Prasanthi Nilayam, Puttaparthi and the other near Bengaluru at Whitefield.
- Two Super Specialty Hospitals giving **tertiary care**, in Prasanthigram, Puttaparthi and at Whitefield, near Bengaluru.
- Two Mobile Hospital Units, delivering ‘at-the-door-step’ services, one around Puttaparthi and the other in the city of Chennai.
- Telehealth services at both the Super Speciality Hospitals providing consultations (pre-screening, diagnostics, referrals, etc.) to patients in West Bengal and Odisha.
- A College of Nursing and Allied Health Sciences in the Whitefield campus affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), providing graduate courses in Nursing and allied disciplines through value-based integrated courses.

## Sri Sathya Sai General Hospitals (GH)

*“The patients’ welfare must be your topmost priority. Serve them with dedication. Service to patients is service to God. There is no service higher than this.”*

*- Bhagavan Sri Sathya Sai Baba*

Bhagavan observed the neglect of **mother-and-child** healthcare in rural areas and the poorer sections of society. Since inception in 1956, the GH at Puttaparthi focused on this lacuna. Over the years the two GHs have made steady progress and have expanded to include Specialisations with dedicated and selfless service from medical and non-medical staff. Currently the 2 GHs together have treated 4.1 lakhs patients.

### Sri Sathya Sai General Hospital - Prasanthi Nilayam

On 24th October, 2015, in its 60th year since inception, a new OPD building (36,000 sq. ft.) was inaugurated for this GH. This building helps to decongest nearly 1000 out-patients who visit the hospital every day. With this addition, the hospital has 9 speciality departments, 114 beds, 2 operation theatres, 8 pre and post-operative wards and Emergency with Triage facility. Support services such as X-ray, Laboratory, Gas plant, library, IT room and also a state-of-the-art Seminar Hall with Telemedicine and Video Conferencing facilities also are provided in this new block.

*“The wealthy can go anywhere and get medical relief with their abundant resources. But the rural poor cannot go far from their villages for treatment. It is for the sake of such poor folk that this hospital has been established”.*

*-Bhagavan Sri Sathya Sai Baba*

The first Super Speciality Hospital was set up by Bhagavan in Prasanthigram, Puttaparthi in 1991 with Cardiology and CTVS- Cardio-thoracic Vascular Surgery. Over the years it has expanded to include the specialties of Urology (1992), Ophthalmology (1994), Plastic Surgery (1997), Orthopaedics (2006) and Gastroenterology (medical). These are supported by other services including Blood Bank, Nuclear Medicine and Radiology depts.

The second Super Speciality hospital came up in 2001 at Whitefield near Bengaluru with Neurology, Neurosurgery, Cardiology and CTVS specialisations.

Both hospitals were built to include world-class infrastructure for diagnostics, interventional procedures and surgeries providing comprehensive treatment at no cost to all patients.

## Cardiology and CTVS:

**Cardiac Catheterisation** - In the Cathlab suite consisting of Siemens Aera Biplane Cathlab and 1 monoplane Philips FD 10 Cathlab, complex procedures are done such as paediatrics ASD, VSD and PDA structural devices, dual and single chamber pacemakers, electrophysiology and RF ablations, PTCA, PTMC, PTSMA, TVBD, AVBD and PVBD etc.

**Cardiac surgeries** - Paediatric procedures include ALCAPA repair, TOF correction, TAPVC repair, Aortic root replacement, VSD repair, ASD repair & PDA Repair. Adult procedures include Off-pump and on-pump coronary artery bypass grafting, Mitral and Aortic valve repair and replacements, Aneurysm repair, RA & LA Myxoma, etc.

## Neurosurgery and Neurology:

**Surgeries and procedures** include cranial aneurysm clippings, excision of cranial and spinal AVMs, navigational Skull base surgeries, trans-nasal endoscopic excision of pituitary tumours, Intracranial gliomas, Meningiomas, Vestibular schwannoma, posterior fossa tumours, Craniopharyngiomas, lumbar and cervical spondylolisthesis fixation, micro lumbar and cervical discectomy, laminectomy etc.

**Neurology** handles various neurological disorders such as epilepsy, multiple sclerosis (MS) and other demyelinating disorders, dementia, Parkinson's disease and movement and ataxic disorders, trigeminal neuralgia, Bell's Palsy, and other cranial nerve disorders.

**Orthopaedics:**

The dept. is well equipped and specialised to perform joint replacement surgeries, Sports medicine and Arthroscopic reconstructive procedures of knee, shoulder, wrist, elbow, ankle and hip, complex Ilizarov surgeries, spine surgeries, paediatric orthopaedic surgeries and complex deformity corrections.

The hospital in Prasanthigram has a dry-bone training lab and a chondrocyte culture Bio-safety level 2 lab in collaboration with SSSIHL Prasanthi Nilayam. This department is actively involved in landmark research projects on autologous chondrocyte culture and cartilage replacement therapy, Avascular necrosis of femoral head and Rheumatoid arthritis and many genetic diseases.

**Ophthalmology** - the latest techniques in the treatment of retinal disorders, glaucoma, squint, Neuro-Ophthalmology and Oculoplasty are adopted.

**Urology** - In this department, surgeries such as nephrectomy, PCNL, TURP, Bracka's procedures, end-to-end urethroplasty, BMG urethroplasty etc. are performed with latest techniques and procedures.

**Radiology** - This department performs CT scans and MRI scans using latest equipment. They also utilise Gemstone detector based 128-slice CT scanner and the 32-channel 1.5 T MRI scanner (top of the line equipment) to provide very specific and sensitive medical information even for Cardiac studies.

Prasanthigram, Puttaparthi

The Super Speciality Hospital in Puttaparthi with a structural area of 153,000 sq. ft, has 300 beds, 8 surgical theatres, 6 specialised intensive-care units, 2 cardiac catheterisation laboratories, medical and surgical wards and a 24-hr. emergency unit.

Upgraded CCU

Fully automated new Laundry

In the year 2015-16, the following have been added/upgraded:

- Cardiac CCU (critical care unit) refurbished and expanded
- Fully-automated new laundry inaugurated
- In-house Sewage treatment plant inaugurated
- Laminar flow air supply system is established in super speciality OTs of Cardiology, Urology and Orthopaedics
- Surgical units upgraded with equipment such as new heart-lung machines, ventilators, etc.

**Certification, Accreditation and Commendations:**

A milestone for the hospital in its 25th year - **Accreditation with NABH**

In order to realise Bhagavan’s emphasis on quality in healthcare, the hospital decided to begin the process of getting accredited by NABH (National Accreditation Board for Hospitals and Healthcare Providers), a body under the Quality Council of the Govt. of India. The Pre-accreditation has been successful with the hospital scoring 93% in the Pre-Assessment done during the year 2015-16 and obtained Progressive Certification

# Sri Sathya Sai Institute of Higher Medical Sciences

Whitefield, Bengaluru

Established in 2001, the Super Speciality hospital at Whitefield is equipped with 333 beds, 8 surgical theatres, 3 specialised intensive-care units, 2 cardiac catheterisation laboratories, pre-operative and post-operative wards and a 24-hr emergency unit. In 2001 itself, it adopted a comprehensive, post-discharge patient rehabilitation programme.

## In 2015-16 the following have been added/upgraded:

Use of Cardiac imaging, MR Neuro perfusion, Spectral imaging, Cardiac MRI imaging & CT guided Nerve Block injections

Beautiful foyer at the entrance

## AWARDS & COMMENDATIONS

The Indian journal Neurology India, places the Neurosurgery Dept. of SSSIHMS, Whitefield as the top-ranking DNB training Institute for overall publications with 76 publications (13 of them original) in the last five-year period.

INSEAD France, plans to develop an article published in Surgical Neurology International by the SSSIHMS Neuro-surgery Dept. entitled - A values-based, no-cost-to-patient health model in the Developing World: Critical Appraisal of a Unique Patient-Centric Neurosurgery Unit, into its business school Case Study.

Hospital doctors and other staff are involved in 7 research projects funded by various organisations and depts. of Govt. of India.

They have eight conference presentations and thirty four publications in Indian and international journals in the year 2015-16. Many doctors won individual awards for paper and poster presentations.

## SSSIHMS - College of Nursing - Whitefield, Bengaluru

Bhagavan instituted the College of Nursing and Allied Health Sciences on September 1<sup>st</sup>, 2008. Based on the Sathya Sai System of education that is value-based integrated education, the institute aims to produce humane healthcare professionals. They are also equipped with the best of skills required to become qualified professionals. The Nursing College offers a 4-yr course in B.Sc Nursing with 40 seats and the College of Allied Health Sciences offers 3 $\frac{1}{2}$  year courses in BSc Anaesthesia Technology, BSc Cardiac Care Technology, BSc Imaging Technology, BSc Medical Laboratory Technology and BSc Perfusion Technology courses with an annual intake of 10 students in each program. Both the streams are affiliated to the Rajiv Gandhi University of Health Sciences,

The total no. of Nursing students is 132 with 10 teaching staff and 1 warden managing the hostel

The average expenditure throughout the course per student is Rs 2.5 lakhs.

## Sri Sathya Sai Telehealth Programme

Sri Sathya Sai Telehealth Programme facilitates post-operative follow-up care for the patients from the States of West Bengal and Odisha.

The two Telehealth centres located in Barrackpore, West Bengal and Bhubaneswar, Odisha are connected with Sri Sathya Sai Institute of Higher Medical Sciences (SSSIHMS) at Prasanthigram, Puttaparthi, Andhra Pradesh and Whitefield, Bengaluru, Karnataka.

While SSSIHMS at Whitefield, Bengaluru provides tele-consultation services to the post-operative neuro and cardiac surgery patients, SSSIHMS at Prasanthigram, Puttaparthi provides tele-consultations to post-operative cardiac surgery patients.

The programme provided 2,423 tele-consultations in 234 working days during the financial year 01 April 2015 - 31 March 2016.

## Sri Sathya Sai Mobile Hospital - Puttaparthi

*“The service that we offer should be holistic. It should be a fine blend of curative and preventive healthcare with a spiritual undercurrent.”*  
*-Bhagavan Sri Sathya Sai Baba*

On March 30, 2006, Bhagavan launched the Mobile Hospital Service (MHS) in Puttaparthi with the express directive that medical care should reach the very door-steps of the poor and the infirm who were unable to travel to hospitals or health centres.

MHS is a comprehensive and holistic system with a three-point emphasis on - Curative drive, Preventive focus and Spiritual base.

Its uniqueness stems from the availability of specialist doctors and the Mobile Hospital Bus that is equipped with on-site diagnostics equipment like X-ray, ECG, EEG, Ultrasound scanner with colour Doppler facility, a bio-chemical and haematological laboratory for facilitating investigations. In this bus even minor surgeries are undertaken.

### Process of Outreach

During each day of the first 12 days of every month, the MHS goes to specified villages called nodal points in 6 mandals around Puttaparthi. Patients from nearly 50 surrounding villages avail the services at their nearest nodal point. Thus MHS provides medical services to a population of nearly 6 lakhs, living in 500 to 600 villages in these mandals.

More than 350 doctors (able to speak Telugu) belonging to 12 specialities (including Medicine, Surgery, Paediatrics, Orthopaedics, ENT, Dentistry, Ophthalmology, Gynaecology, and Radiology and need-based disciplines like Dermatology, Psychiatry, Cardiology, Cardio-Thoracic Surgery, Urology, Neurology, Endocrinology and Gastroenterology) from the States of Andhra Pradesh and Telangana have registered for providing voluntary service in MHS. From this pool, 45 to 50 doctors come every month, for varying periods of 4 to 8 days. On any particular day, there are 15-20 doctors in service, supported by 40 paramedical staff. On an average, 600-800 patients are seen to everyday at each nodal point.

To maintain continuity of treatment, the patients who need surgical interventions in General Surgery, Gynaecology, ENT, Paediatric Surgery and Laparoscopic Surgery are evaluated in Mobile Hospital for surgical fitness and operated by the visiting surgeons in Sri Sathya Sai General Hospital, Prasanthi Nilayam from the 1<sup>st</sup> to 5<sup>th</sup> of every month.

In order to provide improving healthcare the following initiatives were implemented in 2015-16.

- i) Computerisation of the different sections of the Mobile Hospital, namely Registration, Diagnostics, Referrals and Pharmacy was done using mobile Wi-Fi and Intranet Servers established for the day at the nodal points. This computerisation has made the medical history of patients accessible to the doctors to help in initiating further treatment.
- (ii) Digitisation of X-RAY in the bus helps doctors to view the X-rays on their laptops at their respective consulting rooms in the nodal point.
- (iii) A new high-end Ultrasound Scanning Machine was installed in the bus, which has five different probes and colour Doppler facility, facilitating a number of procedures to be done, like Ultra sound scan, 2 D Echo Cardiogram, Doppler studies and Ultra sound guided procedures.

(iv) On the surgical side, Cancer Surgeries are being done for needy patients by the Onco-Surgeons of the Mobile Hospital at Sri Sathya Sai General Hospital, Puttaparthi. Similarly Laparoscopic Surgeries and Paediatric Surgeries are also being performed.

(v) On the preventive front, about 2,000 women were screened for Cancer Uterine Cervix by VIA method, by the specialists of Obstetrics & Gynaecology. Timely diagnosis and treatment prevented some of these women from developing next stage cancer.

vi) Using audio visual aids, relentless health education campaign makes the service comprehensive and holistic. Further, around 100 community level sessions were conducted in different villages, on relevant subjects thus creating awareness on holistic health in these villages. In these sessions, five major health-related topics like cleanliness (environmental, home and individual), nutrition, healthy air and water, harmful effects of smoking and alcoholism, proper physical exercise and relaxation of mind are discussed.

## Sri Sathya Sai Mobile Hospital - Chennai

Sri Sathya Sai Mobile Hospital, Chennai was inaugurated on 21st August 2014. This mobile hospital renders service at 12 places in Chennai and its adjoining districts of Tiruvallur and Kanchipuram on all Fridays, Saturdays and Sundays for the benefit of the needy people living in these areas.

Mobile Hospital Bus escorted by the Doctor's Van

<b>No. of Doctors</b>	915
<b>No. of Para medicals</b>	654
<b>No. of Investigations</b>	10,709
<b>No. of cases referred to Higher Institutions</b>	1,846

A specially designed bus which is technologically advanced and with medical infrastructure is used to provide diagnostic support to specialist doctors volunteering for each of the days. On an average around 200 men, women and children patients come to these camps. After patients are medically examined, the prescribed medicines are offered free of cost to the patients. At these camps, the Seva Dal volunteers from the district provide the needed support services.

## Sri Sathya Sai Integral System of Education

‘Sa Vidya Ya Vimuktaye’ True Knowledge is that which liberates (Vishnu Purana – 1.19.41)

This is the foundation of Sri Sathya Sai System of Integral Education as envisaged by Bhagavan. The five core human values (Truth, Righteousness, Peace, Love and Non-Violence) that He has gifted to mankind encapsulates all the virtues that results in the blossoming of human character which is the building block of a harmonious and developed society. The aim of the Sri Sathya Sai Educational system is to embed these five values into every aspect of education and thus ensure that the students who pass out of the portals our Institutions are citizens who are *professionally competent, socially responsible and spiritually aware*. Given below is a depiction of Bhagavan’s philosophy of education.

This philosophy has translated into robust institutions such as Sri Sathya Sai Education in Human Values, Bal vikas, Sri Sathya Sai Schools and the Sri Sathya Sai Institute of Higher Learning. These institutions combine a total of over 50,000 students in the schools/ colleges, over 3,35,000 Bal Vikas students and over 200,000 alumni, around the world, who have been shaped by the integral education that is imparted in these institutions.

The Sri Sathya Sai Education mission and institutions can be categorised under four layers of support. The first layer consists of those institutions which are directly managed by the Central Trust; the second layer consists of those institutions which are supported directly by the Central Trust; the third layer consists of those schools which are financially supported by Central Trust and final and largest layer consists of over 100 schools and thousands under the umbrella of the Sri Sathya Sai Seva organizations (national and international). Following is a brief account of each of the above:

**“Where there is  
righteousness in the heart,  
there is beauty in the character.  
When there is beauty in the character,  
there is harmony in the home.  
When there is harmony in the home,  
there is order in the nation.  
When there is order in the nation,  
there is peace in the world.”**

*- Bhagavan Sri Sathya Sai Baba*

**(A) The following are the institutions managed directly by the Central Trust:**

**Sri Sathya Sai Primary and Higher Secondary School, Puttaparthi**

**Date of inauguration:** 15th of June, 1981.

**Cost per Student**

**Mission statement:** "To lay the foundation of a noble character of moral integrity, brotherhood, patriotism and sacrifice in the young minds so that they grow straight and strong as ideal leaders who can shape the destiny of the nation."

The management incurs a total cost of Rs. 35000, per student per year. This amount is not charged from the student and the education is provided completely free of cost.

**Unique and Distinguishing facets**

**New Infrastructure and facilities**

- Open-admission policy purely on the basis of merit
- Integration of value education in teaching
- Residential tutors: The tutors live with the children in the hostel to give personal attention to every student
- Pan religio-cultural practices: Hailing from all parts of the country, students participate in all the festivals celebrated and cultural programmes conducted at the school

The School was provided with a new Computer Lab facilitating an increased capacity right from Class VIII to Class XII Students.

**Sri Sathya Sai Higher Secondary School (Primary School) - Girls' wing**

**Sri Sathya Sai Higher Secondary School Boys' wing**

### Unique Activities / Initiatives at School:

Art and Skill Enrichment Program (ASEP), is a collaborative programme organised with the help of experts in various fields of arts with a view to bring out and enrich the latent art and skills in the students. The programme includes training in the following areas of art and skills: Carnatic and Hindustani Vocal, Key board, Harmonium, Violin, Veena, Sitar, Tabla, Dance, Yoga, Gymnastics, Karate, etc. Even though it is a voluntary participation program, over 80% of students across all the classes have enrolled and are currently undergoing the training.

## Smt. Eswaramma English Medium High School, Puttaparthi

**Date of inception:** Established in the year 1972.

This school was started for day scholars with Telugu as the medium of instruction. Since 2010, it is affiliated to CBSE, New Delhi with English as the medium of instruction.

**Mission Statement:** 'To mould the children into holistic individuals, embodying the values under right attitude that caters to the physical, intellectual, emotional, psychological and spiritual dimensions of the human personality and to make them the ideal citizens of the future with national integrity and patriotism.'

### Distinct Features:

- Free textbooks are provided to the needy once the admission is confirmed
- Aesthetically designed building with well-ventilated classrooms
- Assembly hall with good audio visual equipment such as projectors, TV and a PA system was recently built
- The classrooms are well equipped with the latest teaching aids
- A science lab with state-of-the-art equipment
- A computer lab consisting of nearly 20 computers and with internet connectivity
- A library with a wide variety of magazines, journals and reference books along with photocopying facility

### School Strength

No. of students	657
No. of teachers	35
Non-teaching staff	5
Teacher-student ratio is almost	1:20

The management spends nearly Rs. 25,000 on each student and gives education totally free of cost as per the wishes of the Founder of the institution, Bhagavan Sri Sathya Sai Baba.

### Results:

Total no. of students appearing for Class X examination	48
Students achieved 10/10 Grade Point Average	10
Students are above 9/10 GPA. All students have passed in first division.	29

## Sri Sathya Sai Gurukulam English Medium School, Rajahmundry, Andhra Pradesh

**Date of Inception:** 23rd June, 1981

**Mission:** 'To bring out the innate abilities, lay the foundation of a noble character of moral integrity, patriotism, duty, discipline and devotion in the young minds, so that they grow straight and strong with individual reformation and transform as ideal leaders, who can shape the destiny of the nation'.

**Distinctive features:**

- This lush green campus is spread over 23 acres. It consists of 2 School buildings, 2 Hostel buildings, Prayer hall, Dining hall, Auditorium, Guest house, Workers quarters and Management quarters.
- Students hail from families which are predominantly rural, less educated and low income background
- Free Education: Totally-free education to the students of the School
- Since March 1988 (First batch) till date (2016), 29 batches and 799 students appeared for the ICSE exams (X Class)

**Cost per Student:** In the year 2015-16 on each student of the School, an amount of Rs. 27000, is spent by SSSCT towards the School expenditure.

**Present Student and Staff strength:** Presently the School has 403 students, 18 teachers, Principal and 12 office & contingent staff. The Hostel has a Warden and 30 Hostel staff.

**Results:**

The students are consistently securing 100% first class in ICSE- (X class) examinations.

In the year 2015-16 ICSE exams;

- All the students secured 70% and above marks.
- 90% of the students secured distinction- marks with an average of 85.4 %.

Among the ICSE Schools in AP, this School is ranked third.

## Sri Sathya Sai Primary School, New Delhi

**Date of inception: July, 2012.**

**Distinctive features:**

- Most of the children are first generation learners since they belong to families where parents haven't been schooled
- It is a non-residential school
- Free uniform for winter and summer
- Provides books and stationery, refreshments and clean drinking water to its students
- Spiritual education (Bal Vikas) is conducted twice a week for all students
- Parent-teacher meetings are held to encourage interaction between parents and teachers

**Currently, the school is running up to Class IV**

**No. of teachers:** Eight teachers and one helper for Nursery class

**No. of non teaching staff:** 1

**No of students:** 132

**Proposal for the Future:** It is planned to add Class V in the next session. Computer facility will be set up for Classes II, III and IV.

*Character is the most precious gift of education”*

**(B) The following are the institutions supported by the Central Trust:**

**Sri Sathya Sai Institute of Higher Learning, Prasanthi Nilayam, Puttaparthi**  
(Deemed-to-be-University)

Sri Sathya Sai Institute of Higher Learning (SSSIHL), Prasanthi Nilayam, Puttaparthi, Andhra Pradesh consisting of four campuses is a visible manifestation of Bhagavan's vision of education for human transformation. SSSIHL was recognized as a deemed-to-be-University by the Govt. of India in 1981. Its admission policy is purely based on merits and provides education to students of all programs totally free of charge. It hosts over 1,300 under-graduates, post-graduates and professional program students across 4 campuses.

Campus for women students - Anantapur campus, Anantapur, Andhra Pradesh.

Campus for men students - Brindavan campus, Whitefield Bengaluru, Karnataka.

Prasanthi Nilayam campus, Puttaparthi, Andhra Pradesh.

Muddenahalli campus, near Chikballapur, Karnataka.

**Student Profile**

Student Strength (Female + Male)	1345 (F:465 + M:880)
Student Strength by Campus	Prasanthi Nilayam: 432 Anantapur: 465 Brindavan: 305 Muddenahalli: 143
Student Strength by Programme	Under Graduates: 854 Post Graduates: 182 Professional: 234 Research: 75

**Staff Profile**

Academic Staff	173
Administrative Staff	74
Teacher Designations	162 [ Professors (22) Associate Professors (34) Asst. Professors (90) Others (16) ]
Teachers with Doctoral Degrees	100/162 = 62%

**Academics**

- SSSIHL attracted over a hundred visiting faculty and guest lecturers from top universities and organizations in India and abroad. Many of them were associated in conducting several workshops and conferences and this has helped students to interact with leading minds and be exposed to front-line concepts in their academic and research areas.

- This has resulted in academic performance at the university reaching high benchmark levels.
- A record number of final year postgraduate students passed competitive national level examinations such as the GATE/JEST (29%) as against national average of 15%.
- Overall examinations pass rates at the university continue to be upwards of 94% across all programmes and departments

In keeping with the wishes of Bhagavan, the revered Founder Chancellor, all research at SSSIHL is need-based and would ultimately lead to societal benefit. This applies to all three faculties at the university, Sciences, Management & Commerce and Economics & Humanities.

The key research focus areas for the Faculty of Science are Health, Environment and Energy.

life is a dream, realise it; life is love, enjoy it.”  
- Bhagavan*

## New Infrastructure

Muddenahalli campus hostel building

SSSIHL continues to invest in equipment and infrastructure across the campuses.

A new hostel building at the Muddenahalli Campus was inaugurated on 2<sup>nd</sup> April 2016. The hostel's thirty-seven rooms will accommodate 300-plus students, with adequate scope to increase the intake of students.

## Sri Sathya Sai Advanced Centre For Research ( SSSARC)

In line with the vision of Bhagavan, the academic research that is taken up at SSSIHL endeavours to be socially relevant and ultimately for societal good. The effort of various departments of the university has been to do translational research or directed basic research. In the past few years, SSSIHL has brought various academic disciplines together to work with SSSIHMS and identified projects that will benefit patients. Some of those interdisciplinary collaborations with SSSIHMS include –

- regenerative medicine & tissue engineering,
- rapid detection of endemic diseases,
- diabetic retinopathy,
- development of cost effective multi-modal microscope,
- small organ imaging gamma camera etc.

To support this frontier multidisciplinary research activities and strengthening the university's technological infrastructure, the Central Trust is providing a modern building and seed fund to develop

SSSARC that will house equipment and facilities. SSSARC will be equipped with state-of-the-art, sophisticated instruments that will cater to the needs of all University Depts. to pursue multi-disciplinary research.

The new building for the Sri Sathya Sai Advanced Centre for Research and Development (detailed below) is nearing completion. It will be operational in early 2017.

## Sathya Sai Mirpuri College of Music

**Date of inception:** June 1, 2001

In the field of fine arts, Bhagavan set up the Sathya Sai Mirpuri College of Music. The programmes offered by the college seek to combine the best of both, the North Indian Hindustani and the South Indian Carnatic Classical systems taught under the same roof.

The College offers full time residential programmes in music in vocal and instrumental streams at three different levels:

**ABHYASAGAYA** (Foundation Course) Duration : Two years.  
**VIDYAPRAVEENA** (Diploma Course) Duration : Three years.  
**KALA POORNA** (Post Diploma Course) Duration : One year.

**Carnatic** - Vocal, Veena and Mridangam are main courses  
**Hindustani** - Vocal, Tabla and Sitar are main courses.

Total number of students: 35

Number of teachers:14, non-teaching staff: 5

### Distinctive Features:

#### Visiting Artists:

Artists from various corners visit Prasanthi Nilayam as pilgrims. They are invited to visit the College of Music from time to time and give lecture demonstrations. Several maestros like Ustad Zakir Hussain (Tabla), Sri Patri Sathish (Mridangam), Sri Suresh Wadkar (North Indian Classical), Sri Umayalpuram Sivaraman (Mridangam), Sri Naiveli Santana Gopalan (Carnatic Vocal) and many others have visited and interacted with the students.

#### Thursday Concerts :

Weekly concerts are held on every Thursday in 'Sai Sangeeta Sabha'

of the college by the students and staff. Every student is encouraged to take part in these concerts.

#### General Education:

All the students of the college are encouraged to pursue their academic studies concurrently in Distance Learning Mode privately, apart from music studies.

Number of alumni : 215 students have graduated over the past 16 years and are well placed in society - some as Programme Managers in All India Radio, as Performing Artists, as Music teachers and so on. Some of the alumni have been absorbed as faculty members in the college.

Sitar class

Hindustani vocal class

**(C) The following institutions have received financial support for infrastructure development from the Central Trust.**

**Institute of Sathya Sai Education (ISSE), Mumbai**

Established in the year 2000, the Institute serves as a nodal agency to promote, coordinate and evaluate value-based curriculum in all Sathya Sai schools across India. To fulfil these purposes, the Institute conducts training courses for teachers and educators, develops resource material for teachers and sets quality parameters to evaluate students through an accreditation procedure.

Many schools other than Sathya Sai schools have shown keen interest in knowing details of Sri Sathya Sai Curriculum for Education in Human Values and managements of schools have expressed desire to get their teachers and others trained in the same. In order to meet these requirements, the Institute conducts short and long duration residential courses (45 days) for teachers and educators. These courses cover Sri Sathya Sai Educare, the Five Human Values, Integral Approach, Psychology and Character Development. On successful completion the participants are presented with a Diploma in Sathya Sai Educare. During the year under reporting, ISSE conducted 12 programs.

ISSE Teacher Training Camps

## Sri Sathya Sai Institute For Women (SSSIW), Saptapur, Dharwad

**Date of inception: 1968.**

Latest in the ever expanding gamut of the Sri Sathya Sai Education Mission is this institution based in Dharwad, which was handed over to Sri Sathya Sai Central Trust to provide infrastructure support to SSSIW.

This institute that was managed by the Sri Sathya Sai Educational Society (affiliated to the Karnataka State Women's University, Bijapur), has been offering undergraduate degrees (B.Sc Home Science and B.C.A) in Home Science and Computer Applications since its inception.

Sri Sathya Sai Central Trust has undertaken the construction of school, college and hostel buildings. The day-to-day management of educational activities has now been handed over to Sri Sathya Sai Education Trust (Karnataka).

## Sathya Sai School, Mysuru

**Date of Inception: 1960**

This institution is managed by the Bhagavan Sri Sathya Sai Baba Mahila & Makkala Koota Trust. In May, 2016 a new block of the school, constructed with the support of Sri Sathya Sai Central Trust, was inaugurated in Jayalakshmiपुरam, Mysuru.

## Sri Sathya Sai Archives (Archives)

Bhagavan lives and will continue to live forever through His eternal words, messages and teachings that deal with the most profound spiritual truths presented with clarity and made relevant and practical to suit the current times that we live in. These are documented through His thousands of discourses, manuscripts and personal letters to devotees and articles for Sanathana Sarathi (spiritual magazine published from Prasanthi Nilayam). Over many decades, many priceless moments in the life of Bhagavan and His eternally relevant message have been captured through photographs, audio & video tapes, films and so on. These have been termed as AVID - Audio, Video, Images and Documents. After digitization of these for future use by spiritual seekers, (the above media) are being stored for posterity in the Archives.

Vault for Document storage

**The Archives is a state-of-the-art facility wherein:**

\*There are 6 separate fire-proof, water-proof and atmosphere-controlled vaults that will house AVID material.

\*The vaults are built with Clean-Room technology for 'Class 1000' category with temperature, humidity, pressure and dust particles in specific ranges.

\*Dust size remains under 300 ppm<sup>3</sup> of less than 5 micron.

**Restoration of manuscripts:**

\*Restoration of the digitized image of the documents will be taken up so that the readability of the content is enhanced. An example is shown here.

\*The original manuscript is not touched.

Vault for Films

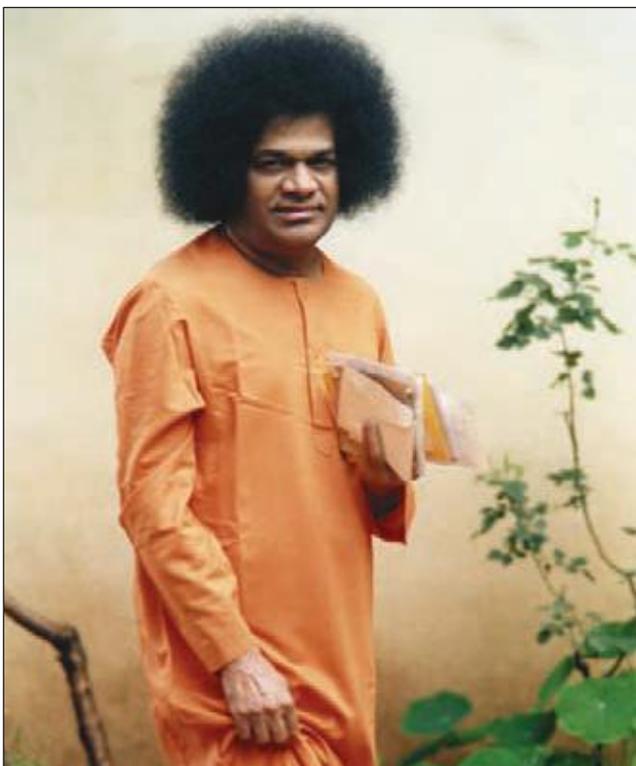

The Central Trust through RSD, continues to receive manuscripts and other media from devotees around the world, who wish to preserve these treasures for a long time to come. All of these are being digitized before they occupy their pre-designated places in the special vaults and racks in the Archives. During the next reporting year this is scheduled to be commissioned and inaugurated.

Vault for Video Tapes

View of the Vaults

*“Through service rendered without any desire to placate one’s ego, with only the well-being of others in view, it is possible to cleanse the consciousness and have the Atma (true inner self that is divine) revealed.”*

**- Bhagavan Sri Sathya Sai Baba**

## Radio Sai Division

*“From here, the glory of Puttaparthi will be spread to all corners of the world. Use all these equipment and instruments for good causes and develop this institution to disseminate the ideals to all nations everywhere. This is the task you must do.”*

*- Bhagavan Sri Sathya Sai Baba*

The entire team of Radio Sai functions as the Radio Sai Division (RSD), now a unit of the Sri Sathya Sai Central Trust. The Sri Sathya Sai Media Foundation, under whose trusteeship the various activities of Radio Sai were carried out was dissolved on July 1, 2015.

### RSD provides

\* 24 hr. audio streaming of bhajans & Bhagavan’s discourses through Asia, Africa, America and Telugu streams.

\*the RSD website from where the above mentioned programmes can be listened to or downloaded.

\*Live streaming of morning & evening Vedam & Bhajan sessions direct from Sai Kulwant Hall.

\*Live video broadcasting of special programmes & festive celebrations through YouTube.

\*Feature articles that are posted on RSD website.

### Activities and Outreach

a) One of the core activities of RSD has been to document and share details of the Avataric life of Bhagavan through audio, video and the written word. This is done through:

• Direct reportage of Bhagavan’s activities from the past through documentaries and cover stories.

• Conversations and interviews with numerous individuals in order to record the impact of Bhagavan’s message in their lives and how they have been touched and transformed by Him.

• Panel discussions, Satsangs and cultural programmes on different topics and subjects that portray His message in interesting and relevant ways.

b) RSD also has a large viewer-listener base on its web and social media platforms like Facebook, Twitter and Instagram. The

engagement on the Facebook page has gone up by over 121% in the period Apr 2015 - Mar 2016. Similarly the Instagram account has seen an increase of 212%.

This year too Telugu Stream celebrated its anniversary on 18<sup>th</sup>-19<sup>th</sup> July with live programs from 6 am to 10.30 pm.

**18<sup>th</sup> July:** More than a 100 children from the states of Andhra Pradesh and Telangana and Bhagavan’s schools in Prasanthi Nilayam made a presentation on the theme - ‘Baba Jeevana Charitam Divya Prema Bharitam’ (Baba’s Life-story is a Saga of Divine Love).

For more info: [www.radiosai.org](http://www.radiosai.org)

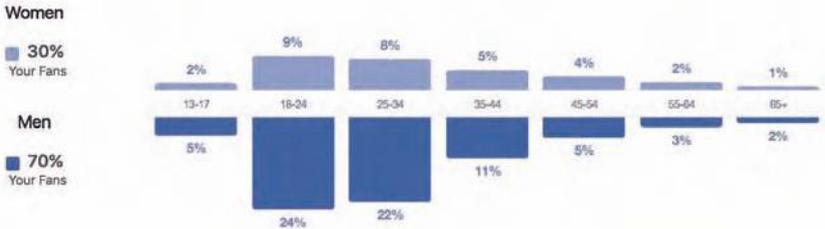

**19<sup>th</sup> July:** Students of Bhagavan's colleges, Radio Sai volunteers and others spoke on the theme, 'Sri Sathya Sai Anantha Prema Vahini' (Sri Sathya Sai's Endless Love)

**RSD Website performance :**

During the month of November 2015, the birthday celebrations of Bhagavan's 90th year of advent were watched by 4,77,730 viewers in a time-frame of 57,15,800 minutes.

Total page hits	90,27,622
Average pages / day	24,696
Total Data transferred	8.41 Terabytes
Average data / day	23.56 Gigabytes

It is heartening to note from the above data that 70% of the followers of the Radio Sai Facebook page are below the age of 34.

Release of the special CD and DVD of 'Sai Symphony' international program held on 23rd Nov 2015

# Sri Sathya Sai Vidya Vahini

*“Teachers are reservoirs from which, through the process of education, students draw the elixir of life.”*

-Bhagavan Sri Sathya Sai Baba

Bhagavan launched the Sri Sathya Sai Vidya Vahini (SSSVV) project in 2010, on His 85th birthday. Accordingly, SSSVV takes the concept of Sathya Sai system of integral education to thousands of school students across India by effectively using technology as an enabler.

*The SSSV seeks to achieve its mission of ‘Human Values Based Secular Education to All’ through its unique IIEP 4C model.*

I	Insightful
I	Inspiring
E	Enjoyable
P	Participative
4C	Classroom, Corridor, Campus and Community.

IIEP 4C model is implemented through a growing volunteer base of teachers and others, also giving impetus to the idea of ‘education FOR all BY all’

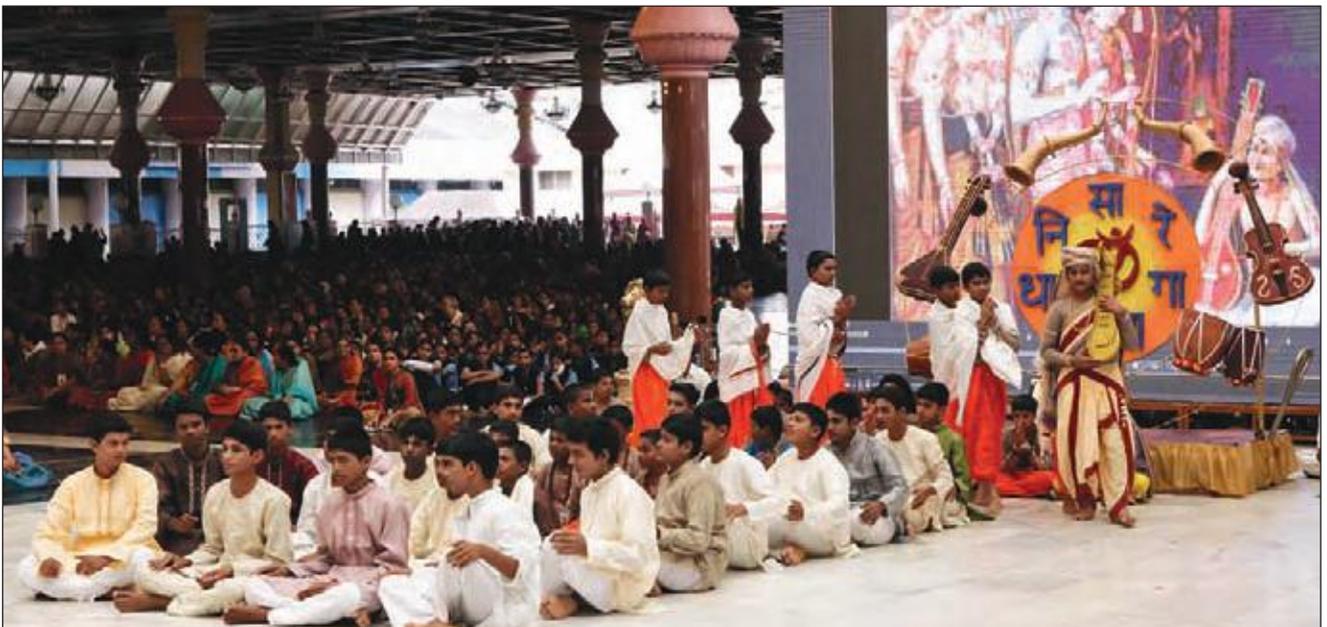

The volunteer-base of over 6000 members serves over 100 schools

at various levels of engagement and expertise. These volunteers belong to various professions from teachers to technologists, artists to social workers, and so on.

## 5<sup>th</sup> Anniversary Celebrations

In Nov 2015, SSSVV organised a 3-day Vidya Vahini Exhibition wherein hundreds of students from various schools from all over India brought alive the IIEP 4C model through innovative models, enthusiastic short-talks, and spirited artwork.

Further in Sai Kulwant hall, on 16<sup>th</sup> & 17<sup>th</sup> Nov, these students took out a rally themed as “Bharata Digvijayam” and presented a cultural program titled “Sankara Digvijayam”.

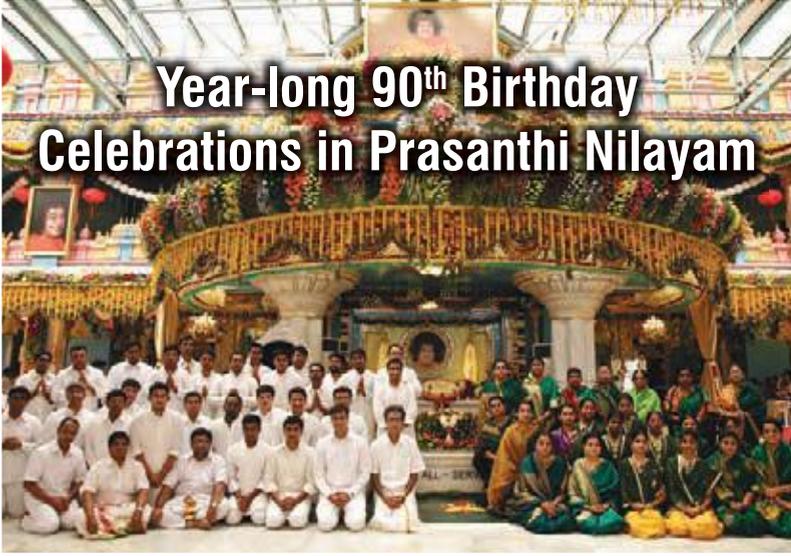

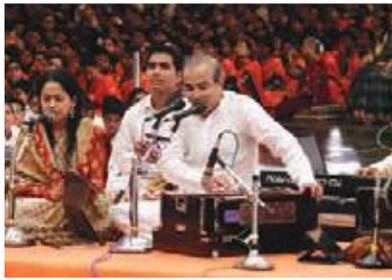

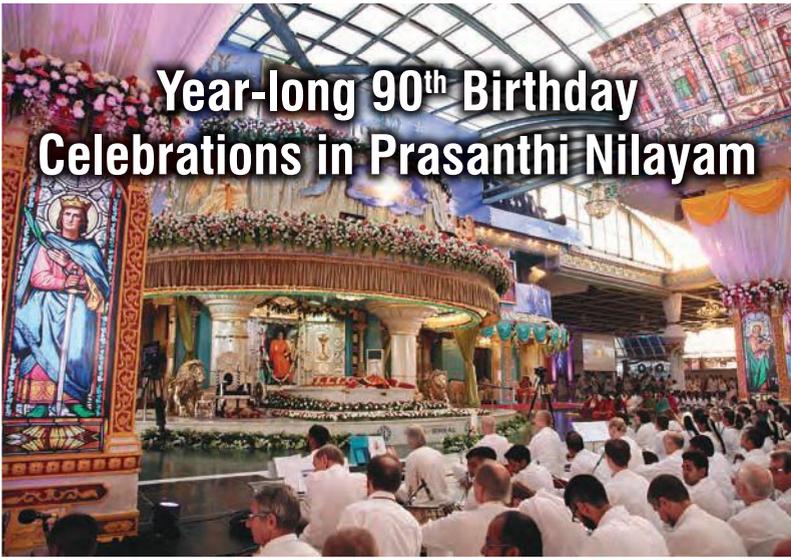

Exhibition and Cultural presentations on the 16th and 17th of November

## Sri Sathya Sai Seva Organisation (SSSSO), India

*“The uniqueness of the Sri Sathya Sai Seva Organisation consists in the fact that it regards Seva (selfless service) as a form of service to the Divinity that is in each being. The bliss that is derived from such service is incomparable. It is a spiritual experience”.*

*-Bhagavan Sri Sathya Sai Baba*

Founded in 1965 by Bhagavan to serve humanity, the SSSSO is a service organisation with a spiritual core and base to benefit all of mankind. Active in all states of India, the intent of the organisation is to help individuals. It aims to :

- ensure that all human relations and interactions are governed by the principles of Sathya (Truth), Dharma (Right Conduct), Shanti (Peace), Prema (Love), and Ahimsa (Non Violence)
- inspire devotees to be more sincere and dedicated in the practice of their respective religions by understanding its true spirit
- be aware of the Divinity inherent in him or her and to conduct themselves accordingly

The SSSSO comprises of 3 wings namely - Spiritual, Education and Service and their activities, be it bhajans, medical camps, village adoption etc, are bound by Bhagavan’s teaching that ‘Manava Seva ye Madhava Seva’ or Service to Man is Service to God’.

The Samitis are the organising units of the above activities. They are undertaken and executed in a very well planned manner. These Samitis are also the focal points wherein Bhajan Mandalis, Study Circles, Bal Vikas, Narayan Seva, Medical Camps and Village(s) developmental activities are initiated, organised and managed. They are regulated at District and State levels through functionaries - presidents, conveners, coordinators, etc.

## Disaster Management Initiatives of SSSSO India

Since 2002, SSSSO has undertaken training of volunteers with necessary skill-set for disaster management. Under this national initiative, the organisation has trained over 14,000 Seva Dal volunteers as First Response Force. Awareness training about disaster preparedness and prevention, especially among youth is also undertaken.

SSSSO also undertook Public Outreach under Disaster Awareness programs. Organisations and institutions covered include:

College students from IIT Kharagpur; NITs in Trichy, Durgapur and Silchar; NSS, NCC; Trainee Police and Fire Service Personnel in J&K, Kerala and Tamil Nadu Police Academy; Armed Police; Corporates like L&T, TCS, SAIL, Thomson Press; Defence Forces like Assam Rifles, 32 Battalion CRPF, Manipur.

# Sathya Sai International Organisation

*“Service is the highest ---path of devotion which wins the grace of God. It promotes mental purity, diminishes egoism and enables one to experience, through sympathetic understanding, the unity of mankind.”*

*- Bhagavan Sri Sathya Sai Baba*

Sathya Sai International Organisation (SSIO) is a spiritual and humanitarian organisation. It has been active for over 50 years, carrying out its mission of enabling its members and indeed any spiritual aspirant to realise the Divine Principle innate in every human being. This is achieved by fostering the spiritual practices of manifesting love in thought, word and deed, engaging in selfless service and achieving self-transformation by practising the five universal human values: Truth, Right Conduct, Peace, Love, and Nonviolence.

The SSIO neither belongs to any religion nor does it preach any. It encompasses all religions, all faiths, and all nationalities. The inspiration for knowing the truth, living in accordance with one’s higher consciousness, and serving society is the mission of nearly 2,000 Sathya Sai Centres spread in over 120 countries worldwide. The Centres support educational, spiritual and selfless service activities for realisation of one’s own true loving nature.

## Sathya Sai Education

SSIO is spreading Sathya Sai Baba’s teachings on human values in communities worldwide, through Sai Spiritual Education, Sathya Sai Schools, Institutes of Sathya Sai Education (ISSE), and Education in Human Values programmes.

Sathya Sai School, Brazil

The Sathya Sai School of Ribeirão Preto, Brazil hosted its annual Harvest Festival on 13th June 2015, uniting the diverse school community of 240 students, their families, staff, and teachers.

Education in Human Values, Taiwan

The SSEHV programme in Taiwan is conducted for 60 students in grades 1–12.

Pre-School Children at Sathya Sai School, Trinidad & Tobago

The SSIO Trinidad & Tobago continues to lead in the field of education, with several important initiatives including the management of the Sathya Sai School.

Sathya Sai School Children Serving the Community, Canada

The Sathya Sai School in Toronto continues to be ranked by the Fraser Institute among the top 18 schools out of over 3,000 primary schools in the province of Ontario.

Human Values Programme, Haiti

In Haiti, the SSIO started supporting a human values programme called ABC for Life.

Graduation at Sathya Sai School, Philippines

## Sociocare Around The World

Sathya Sai Baba says the best way to serve God is to love all and serve all. Selfless Service is love in action. Inspired by the magnanimous humanitarian service projects of Baba, SSIO serves the community in various parts of the world by providing food, shelter, clothing and water. It also serves the elderly, children, animals and nature with love and compassion.

Distribution of Blankets to the Needy, Peru

In November 2015, volunteers from the Sathya Sai Centre of Trujillo and the Sathya Sai Group of Cajamarca in Peru, distributed warm clothing, sweaters, scarves, blankets, and other supplies to the needy.

Cultural Programme by Children, UK

A beautiful Cultural Programme by the SSIO Children was presented during the Pre-World Conference held on 24th and 25th July, 2015, in London, UK.

Serving the Needy, Denmark

In Denmark, SSIO members distributed warm clothes during winter and gifts to the needy during Christmas.

Walk for Values, UK

On 18th October 2015, the SSIO UK held a Walk for Values in Leicester to raise awareness and encourage the practice of human values.

Community Service by Children, Hong Kong

Service to "Street Sleepers" Hong Kong

In Hong Kong, Children from the Sathya Sai Education (SSE) programme regularly undertake community service.

On 26th September 2015, 95 SSE children along with their parents and 25 teachers distributed food to about 260 people living on the streets in Hong Kong.

Medical Services to the Destitute at El Ranchito Community, Mexico

Serving the Elderly, Lithuania

Walk for Values in Calgary, Canada

The Sathya Sai Centre of Monterrey hosted a medical camp on 21st November 2015 in El Ranchito, a very poor community.

SSiO members in Lithuania provided breakfast every Sunday to indigent residents of the cities of Kaunas and Klaipeda.

The annual Walk for Values, which originated at the Sathya Sai School in Toronto in 2003, was held in over 30 major cities across the globe in 2015.

Medical Camp for the Needy, Fiji

Caring for the Environment, Czech Republic

Sathya Sai volunteers from Australia and Fiji organized three medical camps in the Islands of Fiji, serving over 3,000 patients.

In the Czech Republic, Sathya Sai members, with the support of local authorities, engaged in clean-up activities in one of the forests of Prague, for the benefit of the public and the natural environment.

Service at Rongomai Community, New Zealand

Sathya Sai Volunteer Serving Orphan Children, Colombia

A Rongomai Community Day was held for the third year on 17th October 2015 for the disadvantaged community in New Zealand. The children were dressed in colourful costumes representing various animals, to focus on animals as a means of education about human values.

A Sathya Sai volunteer, Maria Feliza Mosquera, has raised abandoned children in a country house, near Medellin, Colombia, for the past 16 years. She has provided a loving home, food, education, and human values classes, and currently cares for 41 children.

# Sathya Sai Global Health Mission

The Sathya Sai Global Health Mission sets forth numerous examples of ideal Sathya Sai healthcare, wherein medical professionals are providing state of the art healthcare with love and compassion, completely free of cost, through medical camps, medical clinics, primary, secondary and tertiary medical institutions, preventive medicine, and health educational programmes.

Serving Elderly Ladies on Avatar Declaration Day at Kisaju School, Kenya

On 20th October 2015, the Sathya Sai School of Kisaju, Kenya served and entertained more than 90 needy senior ladies of the Maasai community.

Medical Camp in New York, USA

Eighteen Medical Camps were organized across the USA and 3,592 patients were served. In addition, three permanent Medical Clinics served 1,935 patients.

Free Cataract Surgery for the Elderly, Venezuela

In Venezuela, Sathya Sai volunteers, doctors and ophthalmologists hold cataract surgery camps every year. On 31st October 2015, 20 elderly patients received free surgeries and intraocular lenses.

Patient after free Cataract Surgery, Venezuela

Mobile Medical Clinic, Indonesia

The Mobile Clinic in Indonesia has been serving thousands of needy patients in remote areas for many years.

Building Houses for Indigent Families, Guyana

On 5th February 2016, SSIO members from North Trinidad travelled to Guyana and built nine prefabricated, hurricane-resistant homes. The homes were fully furnished and handed over to nine needy families.

Blood Donation, Malaysia

The SSIO of Malaysia conducted blood donation campaigns nationwide and collected a total of 7,682 pints of blood. In addition, 18,676 patients were treated at 77 medical camps.

## Humanitarian Relief After Natural Disasters

Earthquakes and floods affected many countries. SSIO members quickly jumped into action after the devastating earthquakes in Nepal in April 2015; after Cyclone Winston struck Fiji in February 2016; and after the earthquakes that occurred in Ecuador and Japan in April 2016. The SSIO promptly provided food, water, medicine, and shelter.

Distributing Blankets to the Needy Nepal

Donating Tents and Supplies to Earthquake Victims, Nepal

Sathya Sai volunteers in Nepal, including Sathya Sai youth, offered food, water, clothing, blankets, shelter, and medical care to the victims in the aftermath of the April 2015 massive earthquake.

In Nepal, SSIO provided shelter to the displaced families who lost their houses from the earthquake by providing tents and other household supplies.

Providing door-to-door Relief after Earthquake, Japan

Providing Humanitarian Relief after Cyclone, Fiji

In Fiji, on 20th February 2016, after tropical cyclone Winston wreaked havoc, SSIO volunteers delivered food and clean drinking water to the victims, in many cases travelling by foot and even on horseback.

On 14th April, 2016, after severe earthquakes occurred in the Kumamoto area of Kyushu, Japan, SSIO members went door-to-door and provided food and urgently needed supplies to the victims.

# Pre-World Conferences

A series of uplifting pre-world conferences was held in 16 countries – representing 11 zones of the SSIO. The two- or three-day conferences were held from January to September 2015 and provided a forum for devotees to discuss the profound truths taught by Bhagawan in practical terms, learn from each other, energise themselves, and move forward along the path laid out by Bhagawan.

## Tenth World Conference

In grateful commemoration of the 90th year of advent of Lord Sathya Sai, the Sathya Sai International Organisation (SSIO) held the 10th World Conference in November 2015, with the theme: Love is the Source, Love is the Path, Love is the Goal. Nine hundred delegates from approximately 80 countries attended this historic conference.

The SSIO hosted a beautiful International Exhibition during 20–27 November in the Ashram, which showcased the highlights of educational, spiritual and service activities around the world.

Another unique aspect of the conference was a series of nine workshops on nine topics which allowed the delegates to delve deep into the conference theme, its relevance in daily life and practical applications.

## Sathya Sai Youth

Sathya Sai Youth, though faced with many challenges and distractions, are practising the teachings of Sathya Sai Baba to transform themselves. Realising the truth taught by Baba, the Youth serve the community throughout the world by participating in many projects of the Sathya Sai International Organisation (SSIO), including humanitarian service projects, disaster relief activities, interfaith meetings, and education in human values programmes.

Sathya Sai Youth took the initiative to start a new project in 2013, Serve the Planet, with the guidance and cooperation of the senior members of the SSIO. These projects have embraced different themes over the years, including serving the needy, serving the children, promoting human values, and most recently, serving the animals.

Serving the Disabled in Hungary

## Sathya Sai International Youth Leadership Programme

The Sathya Sai International Youth Leadership Programme (SSIYLP) was developed in 2014 to provide standardised leadership training to the youth based on Bhagavan’s teachings. The SSIYLP graduates are now practising their leadership skills by serving the SSIO in many capacities, working hand-in-hand with the senior office-bearers of the organisation.
